President’s Letter

Recently, as NAHC President, I was asked to join the steering committee of FORWARD, a joint education program of the DuPage County Health Department and the county’s YMCAs. FORWARD’s mission is to promote a healthy lifestyle for our residents and reduce obesity, especially in children. Since the motto of the NAHC is “neighbors helping neighbors” our Board felt FORWARD’s message was important to Naperville neighborhoods and merited a meeting in our schedule. This occurred in December.

FORWARD’s call to action was the revelation that obesity in children, from 6 to 11, nearly tripled from 6.5% in 1980 to almost 20% in 2008. Similar increases occurred with adolescents aged 12 to 19 in this same time period. Their percentage went from 5% to more than 18%. Obviously both groups are heading in the wrong direction!

As the Y promotes healthy living through its outreach programs, it was a logical partner for this critical educational call - to - action. The Y will soon begin assessing different homeowner associations and neighborhoods to determine what type of physical exercise is common in that community. This data will be analyzed, with neighbor input and feedback, to determine what good exercise amenities (sidewalks, parks, common space, bicycle paths, etc) are already in place and what more may be needed. The goal is to encourage our kids to play outside, keep moving and have fun, and adult supervision should not be needed.

Speaking of adults, we face two obstacles that increase our chances to become obese; too little exercise and too much sitting. So, we too have to get out and “shake it all about.” If your association is interested in participating, let us know and we’ll pass your info to the Y.

On behalf of the NAHC Board I’d like to wish you all a Happy and Healthy New Year.

Dr Bob Buckman

Upcoming Confederation Meetings

The Naperville Area Homeowners Confederation's next general membership meeting will be January 22nd, 2011, in lower level meeting rooms B&C of the Naperville Municipal Center. We will have coffee and networking sponsored by Higdon & Associates (who does newsletters and printing for homeowner associations, more info at <http://www.higdonsnewsletters.com>) beginning at 8 and the formal meeting kicking off at 8:30. Our goal is to complete the meeting by 10 AM so everyone can get on with their day.

Higdon & Associates Marketing

Tying it all together for you!

We are inviting our State Senators and Representatives to join us for the meeting and provide an update on what we can expect from Springfield in the coming year. With State services and finances regularly in the news, this opportunity to have a dialogue with our elected representatives is a key component of the Confederation's mission to create an awareness of residents' needs by developing and maintaining relationships with all levels of government including national, state, city, counties, townships, and school and park districts.

In the same spirit, another item on the agenda is staffing **Confederation liaison committees for 2011**. The Confederation is looking for members willing to devote an hour or so a month to serve as the Confederation's eyes and ears with those governmental groups and units that impact our home values and provide us with services.

Looking ahead, our tentative meeting schedule through the Spring of 2011 includes:

February: City budget

March: "How to" on landscaping

April: City Council on the dais.

May: NAHC Annual meeting & elections

The schedule above is the vision of the Board, but our meetings are for our members. We welcome your suggestions. Please email your thoughts and ideas for meeting topics and focus to us at nahc-naperhomeowners@wowway.com.

Zoning and Land Use Update

This report from the Confederation Zoning & Land Use Committee includes development and land use projects discussed at monthly NAHC meetings with City Staff, of interest to Naperville area residents, and/or under consideration by Plan Commission and Council. It also includes information obtained from other sources.

Change in Boards:

Effective April 2011, the ZBA (Zoning Board of Appeals), will be folded into the Plan Commission. This change is being made as part of the effort to streamline government and reduce costs. Plan will remain a 9 member board with some possibility of ZBA members moving over to Plan.

New Proposals:

New Multi-tenant Retail Building: A 10,000 square foot multitenant retail is proposed for the vacant lot located immediately south of the Jewel Express Gas Station at 95th Street and Route 59. A Plan Commission hearing is anticipated in January of 2011.

Text Amendment: At the Dec 15th Plan Commission meeting, commissioners rejected a request from staff to initiate a changes to the B4 downtown business district. Staff had proposed requiring a conditional use if a bank wanted to be on the first floor of a building located in the B4 district.

Ongoing Proposals:

Dick's Sporting Goods: Received approval from the Plan Commission on 12-15 for a new 50,000 square foot building is proposed to be constructed on the west side of Springbrook Prairie Pavilion (Center at 75th Street and Route 59, near Whole Foods).

Renewable Energy Ordinance: City Council voted 6-3 on December 21st to approve an ordinance that adds a Small Wind and Solar Energy Systems chapter to the city's code book. The new ordinance permits small wind roof-mounted turbines in commercial and industrial districts and ground-mounted wind systems in industrial districts. Both ground and roof-mounted turbines are allowed in all other zoning districts — including residential neighborhoods — so long as owners are willing to have their proposed turbines vetted through the city's lengthy conditional use process

The conditional use process, which requires a hearing before the Plan Commission and City Council approval before equipment could be installed, would give the city and nearby neighbors the opportunity to weigh in on individual proposals. Both ground-mounted and roof-mounted solar systems would be permitted in commercial areas but would need to go through the conditional use process before being built in neighborhoods.

Studies and Initiatives:

Naperville Downtown2030 plan: On December 9th, DAC (Downtown Advisory Commission) approved a final recommendation on the Draft of *Naperville Downtown2030* (incorporating feedback received from DAC, Plan Commission, TAB, HPC, Advisory Commission on Disabilities, and City Council. The draft is now posted on the city's webpage

<http://www.naperville.il.us/napervilledowntown2030.aspx>

There is a 60 day comment period, and residents are encouraged to offer their thoughts. City Council review is anticipated in March 2011.

Recycle Your No Longer Functioning Holiday Lights

Was this season's snowy cold more than your outside holiday light strands could handle? Are you left with bundles that only half light, or, worse yet, tangled balls of bulbs and wire that will never again light up the December night? If either of these scenarios sounds like you don't throw out the lights – recycle them!

Naperville residents have two "green" options to dispose of their no longer usable/useful lights without sending them to a landfill.

One is to bring them to one of five Naperville Park District facilities for recycling through February 1, 2011. The District is taking advantage of a program through Elgin Recycling that takes old, nonworking lights and recycles them.

The Park District will receive a rebate of \$.15 for each pound of lights recycled. The funds will be used for a District-related "green" initiative. The following Park District locations will be accepting lights for recycling:

- South Maintenance Facility, 3415 Book Road (Hours: Mon.-Fri., 7:00 a.m.-3:30 p.m.)
- Central Shop (behind the Barn), 421 W. Martin Avenue (Hours: Mon.-Fri., 8:00 a.m.-3:00 p.m.)

- Alfred Rubin Riverwalk Community Center, 305 W. Jackson Avenue – Upper Level (Hours: Mon.-Fri., 8:30 a.m.-4:00 p.m.)
- Springbrook Golf Course, 2220 W. 83rd Street (Hours: Mon.-Sun., 8:00 a.m.-3:00 p.m.)
- Naperbrook Golf Course, 22204 W. 111th Street/Hassert Boulevard (Hours: Tues.-Sat., 8:00 a.m.-3:00 p.m.)

Naperville residents can also bring their used holiday lights to the Department of Public Works Recycling Drop-Off Center, located at 180 Fort Hill Drive. Here, residents may discard lights that no longer work during normal hours of operation on Tuesdays, Thursdays and Saturdays from 8 a.m. to 4 p.m. through March 15, 2011.

Accepted lights at both the Park District and City locations include all colors and lengths of:

- mini-lights (Italian lights)
- C7
- C9
- rope
- LED
- extension cords

For more information on the city's Recycling Drop-Off Center, visit www.naperville.il.us/recyclecenter.aspx. For more information on the Park District, go to <http://www.napervilleparks.org/>

December Meeting Recap

As Doctor Bob mentioned in his opening letter, our December meeting featured representatives from FORWARD (Fighting Obesity Reaching healthy Weight Among Residents of DuPage) and the Fry Family YMCA discussing the problem of obesity in our communities and what we can do to change the trends to create a healthier future for ourselves and our families

One key takeaway from the meeting was that even though FORWARD is an initiative sponsored by the DuPage County health department, Naperville subdivisions located in Will County are eligible for the initiative and healthy living assessment process.

For more information on how your Naperville neighborhood can be assessed for healthy living, contact Judy Ellertson at the Fry Family YMCA, 2120 W. 95th St., Naperville, at 630-904-9595.

Also at the December meeting, Confederation Secretary John Mesarchik reported on the cooperative effort the Confederation and the Morton Arboretum SLRCA (Sustainable Landscaping Resources for Community Associations) are pursuing to obtain funds from the **Illinois Green Infrastructure Program for Stormwater Management**. This Illinois administered EPA program awards reimbursement grants (with a 25% matching funds requirement from the grant recipient) to control stormwater runoff for water quality protection. In conjunction with SLRCA, the Naperville Area Homeowners Confederation is surveying its member associations to determine if there are local HOA's with the budget and willingness to propose projects that might qualify for consideration. If your association has the need (a project that can benefit the watershed) and the means (funding to proceed while the grant reimbursement is being pursued) contact John through the Confederation at nahc-naperhomeowners@way.com.

Home Energy Savings Program Applications Due January 7th

The City of Naperville is now accepting applications for Phase II of the Home Energy Savings Program. Due to additional funding, the city is accepting an additional 100 qualified residents for participation in the program. Participants will be selected through a lottery process in mid-January. Residents who participated in the program in 2010 are not eligible to apply for Phase II.

Applications may be downloaded from the city's website at www.naperville.il.us/HESP.aspx. Interested parties may also pick up an application in person at the first floor counter of the Transportation, Engineering and Development Business Group located at the Naperville Municipal Center, 400 S. Eagle St., or call (630) 420-6077 to receive an application via mail. **All applications must be received by 5 p.m. on Friday, January 7, 2011.**

The Home Energy Savings Program is designed to provide qualified residents an opportunity to improve their home's energy efficiency through a free home energy evaluation. Program participants will also receive a 50 percent reimbursement up to \$1,500 for qualifying energy improvements. According to a recent survey of program participants to date, more than 95 percent were satisfied with the overall program and 98 percent would recommend the service to a friend or neighbor.

Change in Program Criteria for Phase II

The City of Naperville has modified the criteria for Phase II to allow more residents to qualify for the program. To qualify for Phase II, applicants must own a home in incorporated Naperville built prior to 2000.

About the Home Energy Savings Program

The City of Naperville created the Home Energy Savings Program through funding from the U.S. Department of Energy through the American Recovery and Reinvestment Act (ARRA). To date, 400 Naperville residents have been accepted into the program.

For more information on the Home Energy Savings Program, visit www.naperville.il.us/HESP.aspx or call the city's Home Energy Hotline at (630) 420-6077.

NAHC Briefs – News You Can Use!

The following two scholarships are available to area college students who are majoring in natural resources or a related field:

The Conservation Foundation Environmental Scholarship Fund

The Conservation Foundation's Environmental Scholarship Fund was established in 2007 within the Community Foundation of the Fox River Valley to provide annual scholarships to students pursuing careers in natural resource management (e.g., forestry, wildlife management, etc.) or other environmentally related fields of study. Applicants must have demonstrated a strong commitment to the preservation of the environment through their work-related, volunteer or other community activities. This scholarship was established by Ron Yenerich, a member of The Conservation Foundation's Advisory Council.

This scholarship is available to students residing in The Conservation Foundation's service area (DuPage, Kane, Kendall and Will Counties) who are or will be upper classmen attending an accredited two-year college, or a four-year accredited college or university. Applications are due January 31, 2011. For more information and an application, contact the Community Foundation of the Fox River Valley at (630) 896-7800 or visit www.communityfoundationfrv.org.

Paul D. Pierotti Memorial Scholarship

This scholarship fund was established in 2006 by the Forest Preserve District of DuPage County President D. "Dewey Pierotti, Jr. and his wife, Leslie, in memory of their late son Paul. "This is a fitting tribute to Paul," said Mr. Pierotti. "He had a great love of the outdoors, especially for the forest preserves of DuPage County. This scholarship will enable deserving students with similar interests to pursue an education related to nature."

This scholarship is designed for students from DuPage, Kane, Kendall or Will Counties pursuing college majors and careers in the environmental fields. Applicants wishing to be considered for this scholarship must be a volunteer or associated with the Forest Preserve District of DuPage County or The Conservation Foundation, possess a 3.0 cumulative G.P.A., provide details of their academic achievement and an outline of their participation in extracurricular activities, and write a 350 word essay on an environmental topic determined annually by the selection committee.

Completed applications are due January 14, 2011. For more information or to download an application, visit www.theconservationfoundation.org or contact:

The eighth annual DuPage Environmental Summit will be held **Wednesday, January 5th from 11:30 a.m. to 5:00 p.m. in the Krasa Center at Benedictine University in Lisle**, and is an exciting mix of presentations by industry experts, professional exhibits, and networking opportunities. **The Summit is free of charge and open to the public.** Advanced registration is requested.

Who Should Attend

If you are concerned about the sustainability of our local water supply, want to learn how to reduce the use of our valuable water resources, or are even concerned about flooding or saving money, this free

afternoon of learning, networking and celebrating our most precious natural resource is for you. **Students, homeowners, businesses, engineers, land use planners, elected officials and anyone concerned for our environment is welcome.** Since it's free, you can't afford not to attend!

What's the Summit About?

We will learn about **local efforts to conserve our water, to preserve and reuse it and to make sure once we are done using it, we treat it with respect. Most importantly, you'll learn what YOU can do to help.** Local vendors and organizations involved with water conservation and the environment will be on hand in the exhibit area to provide additional information on this important issue. For the full day's agenda, visit www.theconservationfoundation.org.

The summit is sponsored by the DuPage Environmental Commission, The Conservation Foundation, the DuPage County Board Environmental Committee, the DuPage Community Foundation, SCARCE, the DuPage Water Commission and Benedictine University.

Attendees to the "no waste, environmentally-friendly" event are asked to **bring their own containers for beverages and a reusable bag for summit materials. Carpooling is also recommended.** The Conservation Foundation has donated a rain barrel which will be awarded via a raffle.

The event is free and open to the public, but registration is requested. For information, directions or to register, please contact The Conservation Foundation at 630-428-4500, Ext. 10, email cthompson@theconservationfoundation.org, or visit www.theconservationfoundation.org to download and print a form to be faxed or mailed.

Volunteer tax preparers in the AARP Tax-Aide Program will provide free tax filing assistance to seniors and low- and middle-income persons at the Alfred Rubin Riverwalk Community Center beginning in February 2011.

Those interested in scheduling a 45-minute appointment for tax assistance may call the Naperville Park District at 630-848-3613 beginning in January 2011. Membership in AARP is not required.

Like thousands of other volunteers across the country, the local AARP Tax-Aide volunteers complete training courses in aspects of tax law with materials supplied by the Internal Revenue Service (IRS). The volunteers provide free electronic filing services using IRS software that also is used by many paid professionals.

Individuals who register for tax assistance are asked to bring all necessary paperwork to their appointment, including the following:

- Last year's tax return and tax records
- Social security or Tax ID number for self, spouse, and dependents
- Checking account routing number for direct deposit information
- Income documents, including W-2, 1099, K-1, etc.
- Information about tax-deductible items, including dependents, interest, real estate tax bill, state tax bill, charitable donation receipts, etc.

For more information about tax assistance or other programs at the Naperville Park District, visit www.napervilleparks.org, or call 630-848-5000.

Winter is upon us...here's where you can enjoy it:

Riverwalk Sled Hill

The Riverwalk Sled Hill provides fun for the entire family. Bring your own inner tube or plastic sled; wooden sleds and metal-runner sleds are not permitted. Parent/adults are responsible for supervising their children under 8 years of age. The hill closes at 9:00 p.m. except on Fridays and Saturdays

when it remains open until 10:00 p.m. The sled hill's official daily schedule will begin Dec. 1 and continue through Feb. 28, weather permitting.

Neighborhood Park Sled Hills

The following hills are located in neighborhood parks. They have no concessions and close at dusk.

- Arrowhead Park, 711 Iroquois Avenue
- Brook Crossings, 1015 95th Street
- Country Lakes Community Park, 1835 North Aurora Road
- Gartner Park, 524 W. Gartner Road
- May Watts Park, 804 S. Whispering Hills Drive
- Old Plank Park, 583 Milton Drive
- Riverwalk Sled Hill at Rotary Hill, Riverwalk and Aurora Avenue, across from Naperville Central High School

Centennial Park Ice Rinks, 500 W. Jackson Avenue

Centennial Park features two lighted hockey rinks as well as a lighted free-skating area. Lights may be turned off before 9:00 p.m. in the event of low attendance. Please do not skate after 9:00 p.m. since this is when the ice is flooded and groomed.

Gartner Park Ice Rink

Gartner Park Ice Rink located at 524 W. Gartner Road is not lighted. Hockey sticks are not allowed.

Snowboarding Hill

Naperville Park District has designated one hill in its parks to be used as a snowboarding hill. The hill at Weigand Riverfront Park, located at Washington Street and Ring Road, 2436 S. Washington Street, will be used as a snowboarding hill **only**. Snowboards are restricted on all other Park District hills. Sledding is **not** allowed at Weigand Riverfront Park.

2011 Season Reserved Tee Time Program

Create your own foursome and take advantage of the Season Reserved Tee Time (SRTT) program. Resident golfers are entered into a lottery for a change to reserve weekend tee times in this 22-week program from late April-September. Tee times are from 5:50 a.m.-11:26 a.m.

At Springbrook, 28 tee times will be available on both Saturday and Sunday and Naperbrook will have 15 tee times each day; there will be a limit of three available tee times per hour. The lottery will be held on **February 27** to determine those groups that can select a regular tee time at the course of their choice. Applications for the SRTT program can be picked up at Springbrook or Naperbrook; completed applications are due back to either course on **February 21** at 5:00 p.m.

Meet A Chicago Wolves Hockey Player! - Jamie Sifers, Defenseman, with the Chicago Wolves Hockey Team, will visit the Naper Boulevard Library, 2035 S. Naper Blvd. on Tuesday, Jan. 4 at 4:30 p.m. and answer questions, sign autographs and photos! A lucky child will be dressed in an entire hockey uniform, complete with pads.

Sifers' appearance is part of the Library's Winter Reading Program and the Wolves' "Read to Succeed" initiative. During his appearance, Sifers will talk about how reading is a great stress reducer for him – and he needs to reduce

his stress in a game like hockey! A new member of the Wolves, Sifers scored the game-winning overtime goal in the team's Oct. 15 game with Milwaukee.

The Library's Winter Reading Program, "Chill Out with Good Books" is for children from birth through completing the fifth grade. All participants have a chance to win family packs of tickets to a Chicago Wolves Hockey game and other fun prizes from our sponsors. Program sponsors are the Chicago Wolves, Choo-Choo Johnny's, Odyssey Fun World and Aurelio's of Naperville.

Paying Fines Via the Web is the Latest Naperville Public Library Electronic Service -The Naperville Public Library is pleased to announce eCommerce, an online service that lets you pay your Library fees and fines. Fines of more than one dollar may be paid using eCommerce.

"Now you don't have to make a trip to one of our buildings," explains Frances Tong, Information Technology Manager. "You can go to our website, log into "My Account" and pay your fines using Visa, MasterCard and American Express credit cards."

The Library is making its services easy to access via electronics because "we recognize what people are using," she says. The new eCommerce service is located in the "My Account" area.

Paying your fines and fees via eCommerce is just the latest Library service designed to make the Naperville Public Library more accessible. All kinds of electronic devices can be used to interact with the Library – computers, tablets, iPads and, smartphones including the Blackberry, iPhone, and Droid."

Smartphones can search the Library's catalog (<https://m.naperville-lib.org/>), download materials ("https://m.naperville-lib.org") and databases. Residents can "Text a Librarian" and get their questions answered or subscribe to a text notification service that sends texts about overdue titles and more.

Wednesday, January 12, 7:00 – 8:00 p.m. - INFORMATION SESSION FOR ADULT LEARNERS AND CAREER CHANGERS

Angela Nackovic, MS, Adult Admissions Specialist, College of DuPage
Nichols Library Community Room Room Limit: 100

During these challenging economic times, community colleges provide excellent programs and career services for adult learners. Join Angela Nackovic, Adult Admissions Specialist from the College of DuPage, for this informative session aimed at first-time college students, career changers who already have a degree, as well as adults looking for classes for enrichment or enjoyment. Come learn about the variety of educational opportunities the College of DuPage offers adults 21 and older. This workshop will also include information on financial aid, scholarships, and federal workforce retraining.

This program is open to all. No registration is required.

Tuesday, January 18, 6:30 – 8:30 p.m.- UNDERSTANDING TODAY'S REAL ESTATE MARKET

Juliana Hackel, CRA Relationship Manager, Harris Bank N.A., Panel Moderator
Nichols Library Community Room Room Limit: 100

Come learn from the experts about the current real estate market and the impact on the Naperville community. Short sales, foreclosures, and REOs (real estate owned properties) are the new reality. It is important for prospective homebuyers, sellers, and real estate investors to understand these trends in order to make informed decisions and avoid fraudulent schemes. Whether you're looking to purchase a home or facing

the prospect of a short sale or foreclosure, you'll get the information you need from a panel of experts, including representatives from Harris Bank, First American Title Insurance Co., an attorney, a home inspector, and a realtor. William Smirniotis, Director of Homeownership Counseling and Outreach with the Illinois Housing Development Authority (IHDA), will also be present to explain tax credits available to first-time Naperville homebuyers and veterans. Refreshments will be served.

In case of inclement weather, the program will be rescheduled on Tuesday, January 25, at the same time and location. This program is presented in partnership with Money Smart DuPage and the Federal Reserve Bank of Chicago. No registration is required.

Thursday, January 20, 7:00 – 8:00 p.m. - FROM NOTHING, TO AWARD-WINNING NOVELS, TO THE STAGE!

Presented by Naperville's Center Stage Theater, Nigg Media Productions, and Harmony Productions

In 1999, attorney and writer Bruce Steinberg had one short publication credit to his resume. Since then, his first two novels have won a writing completion and received notable reviews from Kirkus and Publishers Weekly. Using the moniker Bee Robb, Bruce is here with his newest novel, *My Occasional Torment*, which dares to ask the question, What makes a woman a woman and how in the world would a man know the answer? The novel's stage adaptation has been picked up by Naperville's Center Stage Theatre and is scheduled to premiere in February. Along with the author and producers, the play's talented actors will appear to perform a scene. If you love beautiful theatre, stories that make you laugh and cry as well as think, or are a budding writer or actor yourself, you'll want to attend this program! For more information on the play and novel go to:

www.wix.com/enigga/myoccasionaltorment.

No registration is required.
